## **COMMERCIAL DIRECT INSTALL PROGRAM**

National Grid's Direct Install Program offers commercial customers no-cost installation of high-efficiency water and energy saving measures.

Who is eligible? Commercial business (Restaurants, Hospitals, Nursing Home, Hotels and more) in New York City and Long Island service areas on firm gas heating rates.

For installation of free in-unit measures, call **1-877-343-0023** to schedule an appointment with our vendor, RISE, to install free water-saving upgrades.

#### No-cost measures include:

- High-efficiency shower head 1.5 gpm\*\*
- High-efficiency kitchen faucet aerator 1.5 gpm\*\*
- High-efficiency bathroom faucet aerator 1.0 gpm\*\*
- High-efficiency spray valves 1.15 gpm\*\*
- High-efficiency salon valve 1.4 gpd\*\*

#### \*\*Gallon per minute

For customized measures not listed in this brochure, please contact National Grid Efficiency at **1-800-843-3636** or email **efficiency@nationalgrid.com**.

## **CUSTOM INCENTIVE MEASURES**

For gas-saving measures not covered by common incentive measures, we offer custom incentives. Pre-approved projects receive a one-time incentive based on estimated first-year savings up to 50% of project costs to a maximum of \$100,000.

#### Types of custom projects eligible for incentives:

- Energy monitoring systems
- Insulation for processes and non-building envelope improvements
- Heat recovery units
- Heating equipment sizes larger than our common incentive program

Energy savings will be achieved through upgrades of existing commercial end-uses or through the specification of highefficiency equipment for new commercial expansion or upgrade projects. Customer must currently be on or converting to firm gas heating rates in order to be eligible for National Grid Energy Efficiency programs.

For customized measures not listed in this brochure, please contact National Grid Efficiency at **1-800-843-3636** or email **efficiency@nationalgrid.com**.

Please call **1-877-316-9491** or visit **ngrid.com/business** with questions or to learn about our commercial, multi-family and residential programs.
